ACTIVITY	COMMENTS
10 MINUTE LECTURETTE "VHF Antenna siting"	Cpl Burgess is a good confident speaker. His introduction and ending were excellent. His well-timed lecturette included some aids which were used in a very imaginative way.
30 MINUTE LESSON "Defence against Electronic Warfare"	An excellent lesson. He had a mature and confident manner and knew his subject well. He made good use of question and answer technique and kept his class fully involved. His vu-foils were well prepared.
GENERAL REMARKS	He impressed his instructors by his contribution to discussions and his instructional performance. He should develop into an excellent instructor.
