

The CCC Beach Bash
for Autism Awareness
May 31, 2008
The Wave House

Welcome and thank you for attending the Community Coaching Center Beach Bash for Autism Awareness!! We are so pleased to see such an overwhelming support from all of our friends, families and associates.

2008 has been a fantastic year of excitement and growth for our program. We have welcomed many new kids to our program, as well as many new Community Coaches and staff. In an effort to give back to our CCC families, we are working to offer more parent trainings, behavior support and social opportunities.

As we recognize the growing potential of this program we are hoping to open up a second CCC site in the North County area in 2009. CCC continually strives to spread an understanding and acceptance of Autism across all of San Diego County by sharing the amazing qualities of the individuals in our program.

I am forever thankful to all of our supporters, families, friends, our Team and the San Diego community. We are always amazed at how well the community receives our kids and how much they want to learn and accept all that the kids have to offer. I am so grateful that we are given the opportunity to do what we do each and every day. Thank you and enjoy yourselves tonight!

CCC Silent & Live Auction Guidelines

Bid Numbers: To bid on the silent or live auction you must obtain a bid number from the Silent Auction Registration table.

Pre-Swipe: To expedite the bidding process, pre-swipe your credit card. Your card will be matched to a bid number assigned to you. You then sign a 0 balance receipt. Your card will only be charged if you have a winning bid. Then at the end of the night you can just pick up your items and not mess with checkout! Have an ID on hand for verification when picking up your item. Charges will be processed on Monday.

Check or Cash: If you choose not to pay by credit card you can still obtain a bid number by filling out your name, phone number and email so we can contact you if you leave the event. Return to the auction table to make the payment if you win any bids.

Silent Auction

When you see an item you want, list your bid number on the bid sheet in front of the item next to the amount you are willing to pay. Keep an eye on your favorite items as other people will be bidding too! Items can be retrieved during the checkout time of each auction.

Tax Deduction: Your purchases are tax deductible above the listed value of the item. Receipts are available at silent auction table upon request.

All sales are final. No exchanges or refunds are permitted.
